

A better bond.

High performance for interior and exterior project applications.

Heavy duty strength.

Bonds brick, concrete masonry, metal and other materials.

Preferred adhesive for Glen-Gery Thin Wall Systems.

Ideal for a variety of landscape applications.

Cartridge size: 28 fl. oz.
Approximate coverage: 15 sq. ft.
(two quarter size spot beads per modular size brick for Thin Tech applications)

A masonry bonding solution like no other.

Glen-Gery's ultimate heavy duty adhesive for exterior and interior thin brick installations, as well as hardscaping projects of any size.

The Glen-Gery Construction Adhesive is perfectly suited for Glen-Gery Thin Tech® masonry support systems—where a strong and permanent bond is an absolute must.

Exceeds ASTM C557C, ASTM D3498 and AFG-01. Glen-Gery Construction Adhesive is a VOC compliant formula.
