Meet **Molded**.

Individualized character coupled with a wide range of colors and styles.

Form + Style

+ Where limitless options and boundless potential combine.

Our skilled craftsmen guide the purposefully irregular shape and iconic soft edges of Glen-Gery Molded Brick. With unique design details that can scale to meet large and small requests, this is brick capable of enhancing architecture both classic and modern, grand and understated.

Molded in 53-DD

Stay ahead of design by keeping the mold.

Push your aesthetic further by holding true to the form of Molded Brick. From residential to institutional to commercial structures, you'll be propelled to new heights in discerning design on virtually any construction surface.

Ahead of the curve.

Craft that contours to mold your vision is fully realized here.

Craft + Contour

THE MOLD THAT CAN DO MORE.

Reside in **wow.**

Revel in the unprecedented charm offered by Danish “1776” brick every time you walk by.

Cushwa BRICK

+ When you're ready to take Molded to the next level.

Subtly contoured and highly dependable, there's no substitute for the distinctive appeal of genuine Molded Cushwa Brick by Glen-Gery. So when you're wanting to elevate the look of any project, go with the incomparable look forged by this partnership.

Cushwa Molded in Camden Blend

Impressive to homeowners and architects alike.

Homeowners love the look of Cushwa Brick, and builders love its dependability and conformity to architectural specifications.

Glen-Gery's Molded Cushwa Brick range includes the renowned "Calvert" frog on the bedside of the brick. This imprint has been synonymous with Colonial America and its rich heritage that has passed from generation to generation.

Manufacturers of CALVERT® SAND MOLDED BRICK.

Show your true color.

Cushwa's variety of color offerings ensures that whatever your taste (or whatever your project requires), there's a color to meet your needs, and more excitingly, your wants.
