Stone + Style

Meet Landmark **Stone**.

The strength, permanence and beauty of stone are benchmark qualities behind many architectural designs, whether contemporary or traditional; commercial, residential or institutional.

+ Artistry over the years.

A Landmark **achievement**

The Glen-Gery Landmark Collection, manufactured in Cynthiana, KY, provides the same attention to detail and craftsmanship that have defined all Glen-Gery products for over a century.

Earth-friendly

KEEPING GREEN.

An inherently green product, the Landmark Collection can support LEED certification. It may absorb less heat than other wall-system cladding materials, and provides insulation that improves exterior walls' energy efficiency. It contains pre-consumer recycled content, and may earn a Regional Materials credit, depending on the project's proximity to Glen-Gery extraction and manufacturing locations.
