Glen-Gery thin brick is a compelling alternative developed to give architects, engineers, builders and homeowners a choice that expands their design potential.

Meet thin brick.

Glen-Gery thin brick is a compelling alternative developed to give architects, engineers, builders and homeowners a choice that expands their design potential.
Add stylish appeal of brick during any stage in a building’s life cycle
Reduced wall costs by eliminating shelf angles, lintels and other support elements that are required for full-size brick
Easy installation options that do not require a skilled laborer
Great for many interior applications including ceilings and kitchen backsplashes

Less is more.

The logical solutions
It’s time to create.  

LET’S GET STARTED.

Imaginative and spirited.

Thin brick designs range from the bold and striking to the subtly elegant.

Aspen White  
Emporium+ Series
At the heart of it all.

A true original.

As these Nob Hill thin brick rooms show, the unique style and refinement of Glen-Gery thin brick enriches many interior designs.
Thin Brick | Product Overview

Glen-Gery thin brick is the pinnacle of form and function. With a striking appearance, its style is just as convincing as its strength. Whether you take it inside or outside, this brick has the pull to be the centerpiece.
