Meet Molded.

Individualized character coupled with
a wide range of colors and styles.

+
**Where
limitless
options and
boundless
potential
combine.**

Our skilled craftsmen guide the purposefully irregular shape and iconic soft edges of Glen-Gery molded brick. With unique design details that can scale to meet large and small requests, this is brick capable of enhancing architecture both classic and modern, grand and understated.

**Stay ahead of
design by keeping
the mold.**

Push your aesthetic further by holding true to the form of Molded Brick. From residential to institutional to commercial structures, you'll be propelled to new heights in discerning design on virtually any construction surface.

Molded blend of 53-DD, 250-M and 350-M
