Meet Molded.

Individualized character coupled with a wide range of colors and styles.

Form + Style
Where limitless options and boundless potential combine.

Our skilled craftsmen guide the purposefully irregular shape and iconic soft edges of Glen-Gery molded brick. With unique design details that can scale to meet large and small requests, this is brick capable of enhancing architecture both classic and modern, grand and understated.

Push your aesthetic further by holding true to the form of Molded Brick. From residential to institutional to commercial structures, you’ll be propelled to new heights in discerning design on virtually any construction surface.

Stay ahead of design by keeping the mold.
Ahead of the curve. Craft that contours to mold your vision is fully realized here.

The Mold that can do more.

Craft Contour
